

The timeless tale of Ebenezer Scrooge comes to thrilling new life as Tony Award® winner Jefferson Mays (*I Am My Own Wife*, *Gentleman's Guide*...) plays over 50 roles in a virtuosic, master class of a performance that must be seen to be believed. This theatrical achievement comes from the haunting vision of one of Broadway's most imaginative directors, Michael Arden (Tony-winning Best Revival - *Once on This Island*). Staged exclusively for this production and captured live with breathtaking clarity, this must-watch streaming event brings all the magic of live theatre home for the holidays.

La Jolla Playhouse subscribers were the first to see Jefferson Mays' brilliant performance in the Page To Stage production of *I Am My Own Wife* in 2001, which went on to win the Pulitzer Prize and Tony Award for Jefferson's stunning portrayal of over 40 characters. And who can forget the incomparable Michael Arden as Quasimodo in our production of *The Hunchback of Notre Dame*. Another beloved Playhouse alum, Tony winner Nikki M. James (Broadway's *Book of Mormon*; Playhouse's *The Wiz*), joins as Assistant Director.

We are so eager to bring these Playhouse artists directly to your home to create new memories this holiday season. Enjoy!
