Featuring a cast of trans, non-binary and Queer performers, Christopher Ashley and Will Davis’s re-imagined As You Like It is a celebration of limitless love and humanity. In Shakespeare’s classic romantic comedy, Rosalind and Orlando meet by chance in court and have an immediate connection. When they are both banished, fate brings them together again in the Forest of Arden. Far from the restrictions of court life, we find ourselves in a vibrant new world, where identities can be fully explored and romance can blossom in multiple forms. This bold and beautiful production inhabits a wonderful, ‘gender-ful’ world – a sensuous place that embraces the full spectrum of gender possibilities. Evoking the heady experience of falling in love, and underscored by heart-thumping live music, there are no boundaries in As You Like It, just endless complexities, infinite love and the joyful expression of true selves.

“What a privilege it is to work with acclaimed director Will Davis, our amazing producing partners at Diversionary Theatre, and this astonishingly talented company. We couldn’t ask for a better group to bring Shakespeare’s enduring work to joyous life,” said Ashley. “As You Like It inherently embodies an irrepressible spirit of playfulness and an exploration of love, gender and self-discovery.”
