- Taxpayers who prefer to take the standard deduction instead of itemizing may now take a one-time deduction of \$300 above and beyond the standard deduction. You qualify for this deduction when you give your cash gift (s) directly to a qualifying non-profit, including La Jolla Playhouse. (Note: contributions made to donor-advised funds or private foundations DO NOT qualify for the one-time deduction.)
- Cash contributions made in 2020 are now fully deductible up to 100 percent of a person’s adjusted gross income (AGI). Previously, individuals could take a charitable deduction of up to 60 percent of their adjusted gross income.
- Corporations may now deduct for charitable giving up to 25 percent of their taxable income. This is an increase from the previous 10 percent.
